PROFESSIONAL EXPERIENCE

DOCUMENTATION STRATEGIES, INC.

New York, NY

Senior Associate, Subcontractor to KPMG

October 2023 – Present

- Serving as project management lead supporting the risk assessment, oversight, and monitoring of \$600M received by the State of Colorado through ARPA 9817 for Home & Community Based Services
- Analyzing federal and state regulations and guidance, and their application to the 9817 funding stream
- Developing monitoring plans for 60+ projects funded through ARPA 9817, conducting project and individual subgrantee review activities, and authoring detailed monitoring report deliverables

KPMG LLP

New York, NY

Advisory Associate, State & Local Government

July 2021 – August 2023

- Performed market research focused on Healthcare and Education domains related to new legislation, city and state agency priorities, federal funding opportunities, and current public health programming
- Contributed to proposal creation through qualifying opportunities, evaluating engagement requirements, writing project scopes, and developing delivery timelines
- Responsible for day-to-day project management of NYC Department of Health and Mental Hygiene (DOHMH) COVID-19 Vaccination Support Engagement. Tasks included maintaining project timeline, facilitating weekly calls with DOHMH and the Vaccine Command Center (VCC), authoring engagement policies & procedures manual, and participating in invoice reconciliation process for FEMA reimbursement
- Served as technical project management associate on the New York State (NYS) Medicaid Disproportionate Share Hospital (DSH) performance audit. Worked alongside the NYS Department of Health (DOH) to assess data, communicate with hospitals and institutes for mental disease, and ultimately compile a yearly report for CMS evaluating compliance with federal and state guidelines

DELL TECHNOLOGIES

Hopkinton, MA

Experiential Marketing Co-op

January 2020 – June 2020

- Conducted an extensive research project analyzing large scale technology focused events in order to identify areas for growth and provide strategic recommendations for future Dell events

STATE STREET CORPORATION

Boston, MA

Sector Solutions, Business Analyst Co-op

January 2019 – June 2019

- Contributed to projects across the Global Services department relating to market research and reporting
- Built numerous surveys for internal website and analyzed results to update sales support procedures

NOLAN AND HELLER, LLP

Albany, NY

Summer Intern

August 2018, 2019

- Provided comprehensive support for office staff including notetaking, scheduling, and creation of an organizational system for a large amount of discovery documentation essential to an ongoing lawsuit
